

```
graph BT; NCube --> Area; Range --> Area;
```

A hierarchical diagram with three rectangular boxes. At the top is a box labeled 'Area'. Below it, centered, is a horizontal line. From the left end of this line, a vertical line goes down to a box labeled 'NCube'. From the right end of the horizontal line, a vertical line goes down to a box labeled 'Range'. An upward-pointing arrow is positioned in the center of the horizontal line, pointing towards the 'Area' box.
